Sponsorship Package

SUPPORTING THE SALVATION ARMY
NINE STORIES OF HOPE CAPITAL CAMPAIGN

THE FIRST ANNUAL NINE HOLES FOR HOPE IS A TOURNAMENT LIKE NO OTHER.

Why? Because when you sign up to play in this tournament you/your company will be contributing to a once-in-a-generation project that will help transform the Downtown Eastside.

Every dollar raised will go directly to support the building of a new nine storey facility that will support individuals, families, and a community in desperate need of change.

The 18-hole tournament also promises to be one of the most entertaining of the year with select Vancouver Canucks Alumni, networking opportunities, great prizes, and great food... all hosted at the Golden Eagle Golf Club nestled in the scenic mountainside of Pitt Meadows.

Thursday, September 16
Golden Eagle Golf Club, Pitt Meadows

HARBOUR LIGHT TODAY

The Salvation Army Vancouver Harbour Light has been a key part of the social infrastructure of the Downtown Eastside for over six decades.

As the largest non-governmental provider of direct social services, we house up to 300 men and women in comprehensive addiction recovery and shelter programs. We also meet the needs of thousands of vulnerable individuals through the largest community meal program in the Lower Mainland. Unfortunately, the new realities impacting our province and the neighbourhood have pushed our ability to serve effectively. The ongoing opioid crisis, a shortage of affordable housing, and an increase in cost of living has created an explosion in the demand for programs and services, one we cannot currently meet.

Our Salvation Army Harbour Light facility operates in two locations on the north and south side of East Cordova Street. The buildings are of varying ages dating back to the 1920s. They have become physically and functionally obsolete, expensive to maintain, and do not meet the needs of our current and future client base... or the community.

Simply put, buildings that were built close to 100 years ago cannot continue to meet the urgent need and growing demands of today.

HARBOUR LIGHT TOMORROW

The new facility located at 128 East Cordova will have an immediate and tangible impact in the community and the province.

At nine storeys and over 150,000 square feet, the new Vancouver Harbour Light building will be able to meet the needs of people in the Lower Mainland, as well as those who live in other parts of the province—now and for years to come.

It's being built purposefully to support clients on their journey to healthier, happier lives. Welcoming and safe for clients, staff, and the community as a whole, the facility will support evidence-based programs and services.

OUR VISION

Focus on clients' long-term success:

- Dedicated vocational training program spaces, including computer literacy
- Larger learning centre allows more people to upgrade their skills and education
- Coffee shop providing barista and hospitality training

A safe, secure and inviting place to heal:

- Spacious, bright and dignified surroundings
- Increased privacy and security for all clients, staff, and volunteers under one roof
- Informal gathering spaces for connecting with family

Better connection to our community:

- Significantly expanded food service capacity enabling us to serve 180,000 meals annually
- Opportunities for community use of the facility
- Better access for people with mobility challenges

Focus on clients' diverse needs and meet the increasing demand:

- More addiction treatment spaces for one-to-one work
- Space for Indigenous Peoples that respects traditions and forges cultural connections
- A dedicated space for women offering services and support tailored to the unique needs of women

Strengthen our comprehensive continuum-of-care model with:

- Multi-purpose and custom-designed spaces that enable professional staff to offer leading-edge holistic care that responds to changing needs
- Dedicated space for spiritual guidance and healing
- Meals, shelter, counselling and spiritual care under one roof
